

Mission Bay South Block 9

Community Outreach Notice, October 23, 2020

Dear Mission Bay Neighbors,

At 5PM on Wednesday, November 4th, we will host our first Mission Bay Community Zoom Call. These virtual meetings will provide an opportunity to further engage the community around permanent supportive housing, answer questions about our planned operations and services model, and gather feedback from you. The meetings will last for up to an hour. If there is limited community participation, the call may not last for the entire duration. Please submit your questions to MBBlock9@chp-sf.org by 5PM on **Wednesday, October 28th** and RSVP to the same address by 5PM on **Tuesday, November 3rd**. Instructions to join the Zoom will be emailed to all those who RSVP.

On November 17th, we will host a virtual groundbreaking event. More details to come.

You may find previous community outreach notices and the Mission Bay Community Call agenda at <https://chp-sf.org/missionbay/>.

Please see the next page for construction updates.

Construction Activities for October

- Pile driving is complete.
- We will be completing earthwork activities and preparing for our concrete foundation.
- Trucks coming in and out of the site for soil off-haul. The work will generate less noise than the pile driving work from July through September.

Key Project Milestones:

- January 2021 - Concrete foundation completion
- April and May 2021 - Setting modular units levels 2-4
- June 2021 - Framing completion
- July 2021 - Roofing completion
- November 2021 - Exterior skin completion
- December 2021 - Community Garden completion
- January 2022 - Final completion & lease-up commences
